Other Information

Where possible participants are asked to bring a set of light-coloured clothing (top and bottoms) and a pair of white/light-coloured shoes with them to donate to the training course. These will be used during the practical sessions. They can be second-hand or worn but must be clean.

Participants on the Advanced (Level 3) BPA Training Course should also bring a laptop, camera, sampling equipment and a stringing kit. You will be notified if there is a requirement to bring anything else other than what has already been specified, such as facemasks/PPE when your place is confirmed on the course. Please email team@spattered.co.uk if you have any questions regarding this.
